

# Common People

## *Pulp*

**Intro:** [C][C]

[C] She came from Greece, she had a thirst for knowledge; she studied sculpture at St. Martin's college,  
That's where I [G] Caught her eye

[C] She told me that her dad was loaded I said, "in that case I'll have a rum and coca cola," She said [G] fine  
And then in thirty seconds time, she said:

[F] I wanna live like common people I wanna do whatever common people [C] do  
I wanna sleep with common people I wanna sleep with common people, like [G] you  
Well what else could I do? I said "I'll see what I can do." [C]

[C] I took her to a supermarket I don't know why, but I had to start it some [G] where, so it started there

[C] I said, "pretend you've got no money." She just laughed and said "oh, you're so funny"

I said [G] "Yeah, well I can't see anyone else smiling in here." Are you sure?

[F] You wanna live like common people? You wanna see whatever common people [C] see?

[C] You wanna sleep with common people... You wanna sleep with common people, like [G] me?

[G] But she didn't understand... She just smiled and held my [C] hand!

Rent a [C] flat above a shop; Cut your hair and get a job

Smoke some [G] fags and play some pool; pretend you never went to school

But still you'll [C] never get it right 'Cus when you're layed in bed at night

Watching [G] roaches climb the wall If you called your dad he could stop it all, yeah

[F] You'll never live like common people, You'll never do whatever common people [C] do

Never fail like common people, you'll never watch your life slide out of [G] view

And then dance and drink and screw Because there's nothing else to [C] do.....

*Laa la-la, Laa la-la.....*

**Instrumental** [C] [C] [G] [G] [C] [C] ([G] d-u-d--- d-u-d--- d-u-d--- d-u-d--- d-d-d-d- dudududu)

[F] Sing along with the common people; sing along and it might just get you [C] through

Laugh along with the common people Laugh along even though they're laughing at [G] you

And the stupid things that you do because you think that poor is [C] cool

Like a dog lying in the corner; They will bite you and never warn you "Look [G] out",

They'll tear your insides out [C] Cause everybody hates a tourist

Especially one of those who thinks it's all such a laugh [G]

And the chip stains and grease Will come out in the bath

[F] You will NEVER understand Hit feels to live your life, with no [C] meaning or control

And with nowhere left to go; you are [G] amazed that they exist

And they burn so bright that you can only won [C] der why

Rent a [C] flat above a shop; cut your hair and get a job

Smoke some [G] fags and play some pool; pretend you never went to school

But still you'll [C] never get it right, 'cause when you're laid in bed at night

Watching [G] roaches climb the wall If you called your dad he could stop it all, yeah

[F] You'll never live like common people, You'll never do whatever common people [C] do

Never fail like common people; you'll never watch your life slide out of [G] view

And then dance and drink and screw Because there's nothing else to [C] do.....

[C] I wanna live with common people like you (repeat 5x)
