

Grow Old With You

Adam Sander

I wanna [F] make you smile
[Gm] Whenever you're sad
[Am] Carry you around
When your [Bb] arthritis is bad
[F] All I wanna do is [C]
Grow [Bb] old with [F] you [C]

I'll get you [F] medicine
When your [Gm] tummy aches
[Am] Build you a fire
When the [Bb] furnace breaks
[F] It could be so [C] nice
Growing [Bb] old with [F] you [F7]

I'll [Bb] miss you I'll kiss you
[F] Give you my coat when you are cold
[Bb] Need you feed you
[C¹] Even let you hold [C¹] the [Bb¹] remote control (Single strums)

[F] Let me do the dishes
In our [Gm] kitchen sink
[Am] Put you to bed
When you've [Bb] had too much to drink
[F] I could be the man who [C]
Grows [Bb] old with [F] you

[C] I wanna grow [Bb] old with [F] you
[C] I wanna grow [Bb] old with [F] you
[C¹] I wanna grow [Bb¹] old with [F¹] you (Single strums on last line)
