Lay where you're [G] laying, don't make a sound,
I know they're [Em] watching, they're watching
All the com [G] motion, killing the pain,
Has people [Em] talking, talking

[G] You, your sex is on [Em] fire [C]

The dark of the [G] alley, the break of the day
Ahead while I'm [Em] driving, I'm driving
Soft lips are [G] open, them knuckles are pale
Feels like you're [Em] dying, you're dying

[G] You, your sex is on [Em] fire [C]
And [G] so the words to tran [Em] spire [C]

Hot as a [G] fever, rattling bones
I could just [Em] taste it, taste it
But it's not [G] forever, but it's just tonight
Oh we're still the [Em] greatest, the greatest, the greatest

[G] You, your sex is on [Em] fire [C]
[G] You, your sex is on [Em] fire [C]
And [G] so the words to tran [Em] spire [C]
And [G] you, your sex is on [Em] fire [C]
And [G] so, were the words to tran [Em] spire [C]
